

NOTICE

Wasatch Regional Solid Waste Management Corporation and the State of Utah School and Institutional Trust Lands Administration have applied for a solid waste permit to construct and operate the proposed Wasatch Regional Class V Landfill located on 2,000 acres on the east side of County Road #128 approximately six miles north of Interstate 80 in Tooele County. The owners are requesting a commercial Class V landfill permit to accept nonhazardous solid waste, including municipal solid waste, industrial waste, construction and demolition waste, and certain nonhazardous special wastes described in the Solid Waste Management Rules (R315-315 Utah Administrative Code).

The Division of Solid and Hazardous Waste has reviewed the permit application, determined it to be complete, and a draft permit has been prepared. The public comment period for the application and draft permit begins on January 18, 2005 and ends February 17, 2005. A public hearing on the application and draft permit will be held at the Tooele County Health Department Auditorium, 151 North Main Street, Tooele, Utah at 7:00 PM Tuesday, February 8, 2005.

Copies of the application and the draft permit are available for public review during normal business hours at the following location.

Utah Division of Solid and Hazardous Waste
288 North 1460 West, 4th Floor
Salt Lake City, Utah

Tooele County Health Department
